- Knowledge rich conferences powered by key industry associations

Mumbai: The upcoming 13th edition of **analytica Anacon India and India Lab Expo**, India's leading exhibition on laboratory and analytical technologies, will be held over 2 days from 16 to 17 April at Bombay Exhibition Centre, Mumbai. The exhibition is spread over 4000 sqms and will feature 100+ global and Indian companies with 4000+ visitors expected in 2 days accompanied with power-packed conferences and buyer- seller meetings at the designated forum.

The exhibition will bring together the best of the technologies pertaining to chromatographs, spectrosopes, microscopes and imaging, bioinformatics, medicine & diagnostics, life sciences, analytical instrumentation systems and laboratory furniture from across the globe.

Strong Indian and international participation

Along with an impressive participation from the Indian companies, the trade fair also gathers strong participation from international brands including JAIMA (Japan), International Accreditation Service (USA), Techcomp (Hong Kong), Contec Medical Systems (China), VICI AG International (Germany), Agilent Technologies, Peak Scientific Instruments and Beckman Coulter representing few more participating countries.

Bhupinder Singh, Chief Executive Officer of Messe Muenchen India highlights: "We are all set to put up an interesting business platform through this exhibition. The variety of domestic and international laboratory and analytical solution providers will be a good sourcing platform for the industry stakeholders. We welcome all our participants and wish them good luck for the exhibition."

4000+ key visitors accompanied by buyer seller meetings

The Mumbai edition is expected to attract 4000+ trade visitors from pharmaceuticals, chemicals, food processing, biotechnology, healthcare, diagnostics and R&D industry. Some of the top visiting companies include Cipla, Sun Pharma, Glenmark, IPCA, Lupin Pharma, Institute of chemical technology, Ajanta Pharma and Johnson & Johnson. More than **300** one-to-one meetings are expected to be scheduled in the buyer-seller forum in a span of two days.

Knowledge rich conferences powered by key industry associations

Along with the Indian Analytical Instruments Association (IAIA), industry trade bodies like Indian Drug Manufacturers' Association (IDMA), Indian Chemical Council (ICC), Bulk Drug Manufacturers' Association (BDMA), Federation of Telangana and Andhra Pradesh Chambers of Commerce and Industry (FTACCI); has also offered their support towards the success of the trade show. **Gautam Rajan, President of IAIA** shared his inputs; "Considering the current trends in the Indian analytical industry; we believe that the industry will further have a steady growth with more and more pharma requirements that is expected in the near future. We are certain that all our exhibitors will definitely benefit from their participation.

The Anacon-JAIMA Technology Showcase lined up during the exhibition will be a deep dive on the latest developments in Analytical Science and Instrumentation Technologies. The industry experts will deliberate upon the key topics including; Physical Properties Testing for Fuels and Lubricants, FTIR Spectroscopy and Advanced Applications in Chemical Industry with further discussion on Analytical Solutions for Drug Discovery and Delivery.
